Pradesh Pradesh. The issue of construction of irrigation Bye-Pass Tunnel (IBPT) at Sardar Sarovar Project had been discussed among the Chief Ministers of Gujarat and Madhya Pradesh and Ministers of Rajasthan and Maharashtra Accordingly the Chief Minister of Madhya Pradesh is compensated at free of cost for the loss of hydro power for all the water passing through IBPT and this loss should be converted into the million units of energy lost. Based on these discussions, the Review Committee of Narmada Control Authority in its 9th meeting held on 18-08-2001 decided that;

1. The Narmada Control Authority (NCA) decision on IBPT is endorsed and the construction of IBPT should be completed.
2. Government of Gujarat shall compensate Government of Madhya Pradesh, free of cost, for the loss of power due to running of IBPT, which will be calculated in million units.
3. The reservoir water level shall not be depleted below the Minimum Draw Down Level (MDDL) of elevation 110.64 metre.
4. The NCA shall evolve a mechanism to control and ensure that the reservoir water is not drawn through the IBPT below the MDDL.

(c) As per the request of the Government of Madhya Pradesh, the Government of Gujarat has provided Rs. 165 crore to the government of Madhya Pradesh as rehabilitation package to expedite the Ressettlement & Rehabilitation works in Madhya Pradesh as per the information provided by the Sardar Sarovar Narmada Nigam Limited.
